Your nail pierced hands, bore my sins
E A
How You Love me

You carried the weight of my sin and shame
E A
Broken and bleeding, You took my place
C#m A
Upon a tree, You died for me

How You love me

My sins have been washed away
E
I'm forgiven

VERSE 3

E A
Hope seemed defeated that fateful day
E A
But under the surface a battle raged

C#m A
Darkness tried, to hide the light
 E A
But it couldn't

Sin has lost all authority

He is risen
